Subject: FW: Agenda, Directions, Contact List & Funding Spreadsheet for Warm Springs Funders' Summit: Wednesday, June 12
Attachments: Warm Springs Capital Improvement Funding Spreadsheet Matrix DRAFT 06102019.xlsx; Contact List.xlsx

Dear Alyssa:

I'm sharing several pieces of information related to the June 12 funders summit.

Attached, you'll find two excel spreadsheets.

The first, called "Warm Springs Capital Improvement Funding Spreadsheet Matrix DRAFT 06102019" was generated by the team of interagency federal staff from USDA-RD, IHS, BIA, EPA and HUD who will be attending the summit. We took the capital improvement funding list that you previously provided to Wenona, separated each activity onto its own sheet within the workbook, and added federal funding sources that could potentially be used to meet that need. Please note that this is a DRAFT version; I have asked the federal team to send in any revisions by the end of the week. Nonetheless, we hope this will provide a useful reference and a jumping off point for discussion on Wednesday.

In addition, I've attached a "Contact List" that includes federal staff who will be attending the summit, and/or who can be contacted in the future as resources. This list also includes several contacts from RCAC, who we have included even though they are not from a federal agency.

As an FYI, I'm also forwarding the email I sent out to federal invitees to the summit this afternoon. Should you wish to send any follow-up emails, please feel free to use the list below.

Thank you again for hosting us. I'm looking forward to a productive day. If there is anything else you need from Wenona or me, please let us know. I'll be in travel mode starting early tomorrow morning, but I'll be checking my email periodically.

Best,
